

**HAMILTON COUNTY SOLID WASTE BOARD
FEBRUARY 25, 2002**

President Steven Holt called the Hamilton County Solid Waste Board to order. A quorum was declared present.

Approval of Minutes:

Sharon Clark motioned to approve the minutes of December 26, 2001. Jim Belden seconded. Motion carried. Steve Holt abstained. Jim Belden motioned to approve the minutes of January 28, 2002. Sharon Clark seconded. Motion carried. Steve Holt abstained.

Household Hazardous Waste Center Update:

Barry McNulty introduced the new Household Hazardous Waste employee, Steve Wood. They have been working to get the center ready. There has been an issue with ordering the supplies because it has taken time to get the money. Hopefully they will arrive this week. Monday, March 1, 2002 is our opening day. Wednesday, March 6, 2002 will be the open house from 8:00 am to 12:00 noon. Barry asked the Board to attend. Lori Kaplan, IDEM Commissioner will be there at 8:30 am. We are hoping to get media coverage. Jim Belden asked if we have contracts for the disposal? Barry stated he is taking bids on disposal costs per type of material. It depends on our participation as to how much we need disposal. We are ready to go. Jim thanked Barry for all his hard work.

Barry stated the City of Noblesville is bringing their recycling dumpsters on Friday to the Household Hazardous Waste Center. They want to bring a dumpster of the mulch that they give away and they would maintain it, clean it up, supply it as needed. It would be placed next to the recycling dumpsters. Sharon Clark motioned to cooperate with the City of Noblesville and enable our residents to take home mulch. Dennis Redick seconded. Motion carried unanimously.

Barry stated announcements have been sent out about the opening to all the municipalities, Health Board and all the elected officials. Steve Holt asked what can be taken in the recycling dumpsters? Barry stated everything that can be taken curbside. He will have to find out and it will be posted. Steve Holt stated it would be helpful if we can tell the public what can be recycled. Barry stated he will find out. Jim Belden stated he hopes the dumpsters are well marked. Barry stated it is a concern. We are concerned about dumping after hours. We will see how it goes to see if we need to put fencing up.

Barry stated the flammable storage building is to be installed the week of March 11, 2002.

Dan Henke asked if there is sufficient signage along Pleasant Street to identify the location of this facility? Barry stated there is a 4x6 ground sign on Pleasant Street at the entrance of the facility.

Jim Belden motioned to adjourn the meeting. Sharon Clark seconded. Motion carried

unanimously.
